## Pearson Test of English (PTE)

- **Duration of exam-** 2 hours
- **Exam fee-** AU \$375 / US \$170
- **Result** within 5 business days

The interesting thing about PTE is that all the modules are interconnected. **There are 4 modules**

1. **Speaking**
2. **Writing** (the combined time for writing and speaking is 54-67 minutes)
3. **Reading** (29-30 minutes)
4. **Listening** (30-43 minutes)

The exam is **computer-based** and there is no human involvement. PTE is more about SMART work than HARD work.
